

# Jacob Blakely | Software Developer

jacob@codekirei.com | codekirei.com | github.com/codekirei

---

## Bio

Jacob is a software developer based in the Pacific Northwest. He delights in simple, elegant solutions to problems and enjoys writing modular, documented, well-tested code. He is passionate about finely-tuned JavaScript, Vim, and open-source software.

---

## Work

---

### Code Kirei LLC | Software Developer

01/2014 – Present

Learned craft, with focus on Linux, full web stack, and Node.js. Mastered asynchronous programming with promises and generators. Created and released multiple open-source modules and contributed to other open-source software.

### Translations.com | Client Services

08/2012 – 05/2013

Served as first point of contact for clients on accounts representing over a million dollars in annual company revenue. Worked with sales and management through the entire product lifecycle from initial bid to final delivery.

---

## School

---

### University of Oregon, Clark Honors College

09/2007 – 06/2012

**Bachelor of Arts | Business Administration, Economics, Japanese**

**3.81 GPA | Cum Laude**

Wrote undergraduate thesis titled "Infinite Niche Theory" that was awarded distinction. Served on leadership team for e-Business club. Was specially requested to serve as undergraduate TA on pilot Japanese culture class for freshmen.

### Santiam Christian High School

09/2003 – 06/2007

**4.0 GPA | Valedictorian**

Achieved 99.86% raw grade average while playing varsity sports and participating in multiple extracurriculars. Served on leadership team for DECA chapter and represented Oregon in international competition. Scored perfect 800 on reading section of SAT in sole attempt.

---
